PRESIDENT'S MESSAGE FOR 28 TH ANNUAL CONVENTION

Greetings!

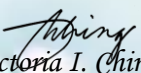

On behalf of the Society, I would like to welcome you in celebration of PHICS' 30th Anniversary with a theme of PEARL: Pioneering Excellence and Advancing Relevant Learnings in IPC. We are excited to see you all face-to-face after 3 years!

With that, we prepared topics that are timely along with seasoned resource speakers to address infection control better and its appropriateness in the future.

The Organizers look forward on our delegates and sponsors to meet, greet, and enjoy this convention where safety of everyone is a priority.

Hope to see you all on May 25-26, 2023 at Crowne Plaza Manila.

Warm regards,

Victoria I. Ching
President
